Yes, it's Jeff Sands. After much effort, the meeting has been scheduled for 10AM on Thursday. Please let me know who in the IOAA is available to attend and we will make sure the invite is extended.

If this is the EPA's Ag Advisor I think it would be good for one of us from IOAA to be there as well...thx

Hi Everyone,

Two heads-up for your back pocket:

- 1) On Thursday, NCEA will be briefing the Ag Advisor about the IRIS Ammonia Assessment Plan.
- 2) OGC has a new political deputy, Marcella Burke. She will be briefed on Tuesday about the FOIA process and responses to Congressional requests. Lou is going to sit in on the briefing since the current trigger is the HSST requests from October.

Please let me know if you have any questions, and otherwise have a wonderful weekend.

Thanks,

Tina
